Human Trafficking

(States & UTs)

Chapter-14

Human Trafficking

Trafficking in Persons is a serious crime that gravely violates basic human rights. Traffickers often exploit the vulnerabilities of people by making false promises of a new job, better living condition and support to their families etc. Such promises may appear legitimate to people, but it makes many men, women and children easy prey for exploitation.

In order to strengthen the law enforcement response against trafficking in persons, Ministry of Home Affairs has released funds to State Governments from time to time for setting up Anti Human Trafficking Units (AHTUs) in all districts of States/UTs. They are tasked with investigation of Human Trafficking cases and build up database on such cases including on criminals involved. Rs. 100 crore from Nirbhaya fund has been allocated for setting up new AHTUs and for strengthening of existing AHTUs. As per data provided by States/UTs, so far 807 AHTUs are functional and 22 States/UTs have

achieved their target of setting up AHTUs in all districts (Table 14.8).

NCRB started collecting data on human trafficking cases from these Anti-Human Trafficking Units across the country since 2016 and since then it has been publishing such data under a separate chapter titled "Human Trafficking". As per data provided by States/UTs, 2,250 cases of Human Trafficking have been registered by AHTUs of States/UTs during 2022. Highest number of the cases have been registered in Telangana (391 cases), Maharashtra (295 cases), and Bihar (260 cases).

The data collated in the following tables has been provided by AHT Units through their State Crime Records Bureau. This data represents only those human trafficking cases which are reported to respective AHTUs. Hence, it is advisable not to compare these figures with those given under different laws/sections of human trafficking elsewhere in the Report.
